2 nd Session 12:30	Travelling day	Introduction to Internet and security issues	Protect our privacy	Hoaxes & Hypes Trolls and other web offences	Mobile device settings	Conclusions and reporting of the results
End 15:00						

PLANNING	7 day
	Breakfast
	Travelling day
	Travelling day

The daily schedule (sessions) can be change and can be either continuous or interrupted, after having agreed all the participants, without changing the total number of hours per day.

To participate

Please contact with your N.A. to ask for approval of your plan (Erasmus+ - KA1).

Please send an e-mail to us with the details of your organization and your personal details

Contact emails: van_elias363@yahoo.gr / ntzimop@sch.gr

Direct link (google docs): https://docs.google.com/document/d/129CnNVv_9UP8p2P7ZsbNIXMSsHLpFftEMRxIpYUx-XY/edit

Day 1 and 7 First and last day will be intended for travelling. On the arrival day, we will collect participants from port and escort them to their hotels. The opposite will be done on the leaving day.

Days 2,3,4,5 and 6 These classes will be given at the training room. There are, mainly, three kinds of classes:

- Those in which an expert comes and shares his/her experience.
- Participative classes, in which participants share their experience and knowledge.
- Group work where projects and future collaborations will be designed.

Day 2 Welcome and Introduction to the course

Presentation of the course goals and agenda

Discussion of all the organizational issues

Introduction of the course leader

Presentation of the participants

Ice-breaking activities

Introduction to Internet

Digital Profile

Problems arising from Internet use and security

Day 3

Internet Risks

Spam - Fishing - Chain Mail

Viruses and malware

Software piracy, hacking and cracking

E-commerce (how to shop with safety)

How to protect ourselves. Best practices

Privacy

Social Networks

Google

Cookies policy

How to protect our privacy

Day 4 **Information Evaluation**

Searching on Internet

Web Sites evaluation

Digital online encyclopedias

Clickbaits, hoaxes and hypes

Content in social networks

Trolls and other web offences.

Day 5 **Mobile Apps Productivity and Communication Tools**

Communication Tools: How to communicate efficiently and free

- Viber, Skype, Messenger, Gmail

Productivity Tools: Get the job done from your phone

- Office, PDF, Scanning, Payments, Cloud Storage, File Manager

Mobile Settings: Get the most out of your phone

- Android Settings, Manage Space and Play Store

Day 6 **Protect your Data and your Privacy on Mobile devices**

Security Settings

Lock your Apps

Secure your passwords

Track your device

Disable lost device

Conclusions and reporting of the results

HOW TO GET HERE

Syros

is located centrally in the Aegean Sea. You can travel to Syros by plane or ferry. There are daily flights to Syros from Athens, while ferry connection with main port of Athens are also very good.

Ferries to Syros

The island of Syros is easily accessible by boat from the port of Piraeus (the main port of Athens). There are ferries to Syros from Piraeus, every day. As Syros is located centrally in the Aegean Sea, it serves has ferry connections with many other islands of the Aegean Sea, such as Mykonos, Andros, Tinos, Ikaria, Lesvos and more. The port of Syros is at Ermoupolis. There are two types of ferries servicing the island:

Regular ferry boat service

Duration: 3 hours and 45 minutes

High speed ferries *(during the summer only)*

Duration: 2 hours and 20 minutes

For schedules and fares you can refer to the following websites:

http://openseas.gr/en/ferries-schedules/piraeus_athens-syros

<http://www.hellenicseaways.gr>

<http://www.bluestarferries.com>

Airport Service

Syros is connected to the Eleftherios Venizelos International Airport of Athens by air on Olympic Airlines three to six times a week depending on the season.

For information, schedules, and fares you can visit the website:

<https://www.olympicair.com/en>

We will be in charge of the travels from the airport and port to the accommodation, both in the arrival and leaving days.

This service will be coordinated and will follow an established schedule, which must be respected. In case that participants couldn't reach this schedule, they should get to the activity facilities by their own means.

Halki

is located in the Aegean Sea next to Rhodes and is part of the Dodecanese Islands. With few cars on the island, with many little taverns, a few cafés, a pastry shop, and a couple of bars, you enjoy endless strolls on the quay and swimming in the crystal clear waters on the beaches.

Ferries to Halki

Access is easy through the port of Rhodes four or five times a week depending on the period and daily from Kamiros Skala (a little port in Rhodes).

Nissos Halki: ++30 2246045266, ++306973460968

Nikos express: ++30 6946826905

Airport Service

Access to Rhodes is very easy by plane, with more than 3 flights a day by Aegean air, and much more every day by other European flights.

Aegean Airlines: <http://en.aegeanair.com>

Ryanair: <http://www.ryanair.com/>

We will be in charge of the travels from the port to the accommodation, both in the arrival and leaving days.

Kos

is located centrally in the Dodecanesian Sea. You can travel to Kos by plane or ferry. There are daily flights to Kos from Athens and from Rhodes, while ferry connection with main port of Athens and Rhodes are also very good.

Ferries to Kos

The island of Kos is easily accessible by Ferry from the port of Piraeus (the main port of Athens). There are ferries to Kos from Piraeus, and from Rhodes every day.

Kos is connected with many other islands of the Aegean Sea, such as Syros, Patmos, Kalimnos, Leros, Rhodes and more. There are two types of ferries servicing the island:

Regular ferry boat service

From Piraeus: Duration 10 hours

From Rhodes: Duration 3 hours

High speed ferries

From Rhodes: Duration 4 hours (via Halki, Tilos, Nisiros)

For schedules and fares you can refer to the following websites:

http://openseas.gr/en/ferries-schedules/piraeus_athens-syros

<http://www.hellenicseaways.gr>

<http://www.bluestarferries.com>

Airport Service

Kos is connected to the Eleftherios Venizelos International Airport of Athens by air on Olympic Airlines and Aegean Airlines, one to three times a day, depending on the season.

Is also connected to Rhodes International Airport (Diagoras) by air on Olympic Airlines and Aegean Airlines one to two times a day, depending on the season

For information, schedules, and fares you can visit the website:

<https://www.olympicair.com/en>

<https://en.aegeanair.com/>

We will be in charge of the travels from the airport and port to the accommodation, both in the arrival and leaving days.

This service will be coordinated and will follow an established schedule, which must be respected. In case that participants couldn't reach this schedule, they should get to the activity facilities by their own means.
